16. ?
17. ?
18. ?

- Request from T Bland that we receive the work session meeting notes via email by end of week that meeting occurred in – let us discuss this if it can not be done.....we need to be able to review while it is fresh in our minds. Email of police reports in lieu of paper, and placing them in folder on server for historical purposes – why or why not, and if Dave needs his reports scanned in for any reason, that can now be done also
