B. Borough Manager/Administration:

B.1 Declaration of Disaster Emergency - January 25, 2026

Motion to formally ratify the Borough's Declaration of Disaster Emergency issued January 25, 2026.

Oakmont officially declared a State of Emergency on Monday, January 26 pursuant to Title 35 of Pennsylvania's Consolidated Statutes. This declaration was made due to the Borough receiving over 12-inches of snow, with conditions exceeding our current ability to keep pace with snow removal. This volume significantly affected roadway and pedestrian safety throughout the Borough. Declaring a State of Emergency allows the Borough to operate under emergency provisions and positions us to potentially seek reimbursement for eligible expenses related to the storm.

B.2 At the request of Oakmont, Acrisure the Borough's Actuary, completed the biannual Actuarial Valuation Report (AVR) for both the Police and General Employee Pension Plans. The AVR is prepared to satisfy the funding and disclosure requirements of Act 205 of 1984. Also, these AVR's are a component of the annual Minimum Municipal Obligation (MMO).

Council will not need to take any action on this topic. The study is required; this agenda item is simply confirmation the AVR's were completed as required by State Act.

B.3 Street Sweeping Agreement with PennDOT

The comprehensive maintenance agreement associated with street sweeping operations between Oakmont Borough and the Department is ready to renew for a three-year period beginning with the 2026 year. On behalf of PennDOT, the Street Department sweeps the full width and length of Hulton Bridge as well as the following state-owned roadways; Allegheny Avenue, Allegheny River Boulevard, Hulton Road, and Plum Street. In turn, Oakmont is reimbursed.

At the February 17, 2026 Regular Meeting, Council will be asked to accept the terms and conditions of the new 3-year Agreement with PennDOT.

B.4 Contract No. 25-PK1 - Partial Payment - Riverside Park Entrance Improvement

At the February 17, 2026 regular Meeting, Council will be asked to consider approval of Partial Payment #1 for general construction to VS&H Construction Company, LLC in the amount of $52,628.40.

B.5 Contract No. 26-R01 - Preliminary OPC - 2026 Road Program

The Borough Engineer, using the 2022 Borough-wide Road Study as the guide, has developed the 2026 Road Program for asphalt road repairs and repaving.

At the February 17, 2026 Regular Meeting, Council will be asked to authorize advertisement of the 2026 Road Program for bid opening on April 1, 2026 and possible awarding at the April 21, 2026 Regular Meeting.

B.6 Deer Management Discussion: Scheduling an in-person meeting

The proprietor of Suburban Whitetail Management wishes to meet in an in-person setting to review the challenges with deer management in Oakmont. From that meeting, the entity will make a presentation to the full Council on how we could proceed from there.

There is no action from Council except for setting up a committee of Council members to meet with the deer management company.
