The owners of **Capricious LLC** have generously provided goats to Oakmont in the past to help control overgrown vegetation along the Allegheny Riverbank. Now it's our turn to help them! The "Munch Bunch" loves to eat gourds, so bring your clean pumpkins and gourds to **Creekside Park** for the **Gourds for Goats Collection**.

Please Note:

- Only natural gourds and pumpkins (no paint, wax, candles, or decorations).
- Drop off only at the designated collection area at Creekside Park.

Help us support local sustainable land management and give our favorite goats a tasty fall treat!
