

Dear Oakmont Resident,

In order to streamline our collection operation and better serve your community, and with the express permission of the Borough Council, County Hauling is implementing a change in collection schedule. Starting on Monday, August 31st, 2020,

**Your Trash, Recycling and Yard Waste collection day will be Monday**  
**See reverse of this page for a complete schedule, including holidays and associated delays**

We would like to take this opportunity to remind you of the following guidelines for Trash, Recycling and Yard Waste collection in the Borough.

- Garbage, Recycling, Yard Waste and Bulk Items must be placed at the curb prior to 6 AM on the day of collection
- Recycling must be placed in the designated recycling can provided by the Borough. No bagged or loose items around the can will be collected as recycling.
- Bulk Item disposal (refrigerators with the freon removed, stoves, beds, mattresses, couches, etc.) is limited to one item per week.
- Yard Waste
  - Place your Yard Waste in the designated can provided by the Borough.
  - Yard Waste is defined as leaves, hedge clippings, small branches, garden residues, shrubbery, tree trimmings, grass, and similar materials, excluding dirt.
  - Yard Waste is collected from April 1<sup>st</sup> through December 31<sup>st</sup>; see the attached schedule for Yard Waste collection weeks.
  - **Any yard waste can that contains trash (loose or bagged) will not be collected.** Instead, the collection crew will leave a sticker on the can explaining the reason the yard waste was not collected. Yard waste mixed with trash causes significant problems for the composting collection sites. If trash is mixed with yard waste, the composting collection site will reject the entire truckload. We appreciate your understanding.

Please call or email us with any questions, and we look forward to continuing to serve your community!

Sincerely,

County Hauling Management
