

## **Borough of Oakmont**

767 Fifth Street  
Oakmont, Pennsylvania 15139  
412-828-3232

### **Glass Recycle Events**

The Borough of Oakmont offers glass recycling events three times per year in April, August and December. Glass recycle dumpsters are located in the Second Street parking lot of Riverside Park and in the Creekside Park parking lot. Glass bottles, jars and jugs are accepted and there is no need to separate color or remove lids. The service is provided by County Hauling at no charge to residents.

### **Electronics and Hard to Recycle Waste Events**

The Borough of Oakmont offers drive-thru recycling collections of hard to recycle waste, contracted through Noble Environmental. There are two events per year, in April and October, held at Riverside Park's Second Street parking lot. Some of items accepted are: televisions and monitors, paint, bulbs and batteries, hazardous waste, AC units, microwaves, propane cylinders and more. There is a minimal fee for items and reservations are required. The Oakmont Borough website will have complete information prior to the events.

For more information on glass and hard to recycle events contact Phyllis Anderson.
